Vestibular Dysfunction

A Comprehensive Course on Evaluation and Treatment

Mercy Hospital St. Louis Outpatient Therapy Services
1176 Town and Country Commons
Chesterfield, MO 63017

Presented by: Vestibular Educators

Speakers: Sara Baumgartner Wolf, PT, DPT, NCS and Lindsey Hejlek, PT, MPT

Dates: **Saturday June 4, 2022** 8-5pm & **Sunday June 5, 2022** 8-3pm

EARLY BIRD RATE just \$425, register by 5/7/2022

(Regular Rate \$475 thereafter)

Course Content:

- **Two Day** Course covering the evaluation and treatment of various balance and dizziness conditions from BPPV to post concussion to cervicogenic and beyond, collectively known as vestibular dysfunction
- Applicable areas of practice: **acute care, home health, inpatient rehab, outpatient**
- No previous vestibular experience required, this course starts with basic content and then expands. It is ideal for those looking for an introduction into this area of care, as well as those looking for a “refresher”
- No specialized equipment is required; clinicians can return and start practice right away!

Audience: PTs, PTAs, OTs, and COTAs

Course Outline:

- Anatomy/Physiology
- Diagnostics/Imaging
- Subjective/Objective Examination
- Assessment/Differential Diagnosis
- Treatment Protocols/Progressions
- Evidence Based Practice/Research
- Hands on BREAKOUT LAB SESSIONS
