Vestibular Dysfunction

A Comprehensive Course on Evaluation and Treatment

August 26 & 27, 2023

Hosted by: **Aptiva Health & Wellness**
10100 Linn Station Road
Louisville, KY 40223

\$549 Early Bird rate through 7/15/2023
(\$599 regular rate)

Presented by: Vestibular Educators

Speakers: Sara Baumgartner Wolf, PT, DPT, NCS and Lindsey Hejlek, PT, MPT

Course Content:

- **Two Day** Course covering the evaluation and treatment of various balance and dizziness conditions from BPPV to post concussion to cervicogenic and beyond, collectively known as vestibular dysfunction
- Applicable areas of practice: **acute care, home health, inpatient rehab, outpatient**
- No previous vestibular experience required, this course starts with basic content and then expands. It is ideal for those looking for an introduction into this area of care, as well as those looking for a “refresher”
- No specialized equipment is required; clinicians can return and start practice right away!

Audience: PTs, PTAs, OTs, and COTAs

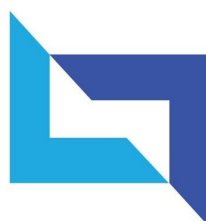

Course Outline:

- Anatomy/Physiology
- Diagnostics/Imaging
- Subjective/Objective Examination
- Assessment/Differential Diagnosis
- Treatment Protocols/Progressions
- Evidence Based Practice/Research
- Hands on LAB SKILLS SESSIONS
