## Vestibular Dysfunction

### A Comprehensive Course on Evaluation and Treatment

Neuro Rehab of Dallas  
8390 Lyndon B Johnson Freeway Ste 100  
Dallas, TX 75243

Presented by: Vestibular Educators

Speakers: Sara Baumgartner Wolf, PT, DPT, NCS and Lindsey Hejlek, PT, MPT  
**Saturday August 3, 2024 8am-5pm & Sunday August 4, 2024 8am-3pm**

**EARLY BIRD RATE just \$549, register by June 22, 2024**  
(Regular Rate \$599 thereafter)

#### Course Content:

- **Two-day** course covering the evaluation and treatment of various balance and dizziness conditions, from BPPV to post concussion to cervicogenic and beyond; collectively known as vestibular dysfunction.
- Applicable areas of practice: **acute care, home health, inpatient rehab, outpatient**
- No previous vestibular experience required; this course starts with basic content and then expands. It is ideal for those looking for an introduction into this area of care, as well as those looking for a “refresher.”
- No specialized equipment is required; clinicians can return and start practice right away!

**Audience: PT, PTA, OT, OTA**

#### Course Outline:

- Anatomy/Physiology
- Diagnostics/Imaging
- Subjective/Objective Examination
- Assessment/Differential Diagnosis
- Treatment Protocols/Progressions
- Evidence-Based Practice/Research
- Hands-On BREAKOUT LAB SESSIONS
