Vestibular Dysfunction

A Comprehensive Course on Evaluation and Treatment

Achieve Physical Therapy
2200 Los Rios Blvd Ste 132
Plano, TX 75074

Presented by: Vestibular Educators

Speakers: Sara Baumgartner Wolf, PT, DPT, NCS and Lindsey Hejlek, PT, MPT

Saturday April 6, 2024 8am-5pm & Sunday April 7, 2024 8am-3pm

EARLY BIRD RATE just \$549, register by February 24, 2024
(Regular Rate \$599 thereafter)

Course Content:

- **Two-day** course covering the evaluation and treatment of various balance and dizziness conditions, from BPPV to post concussion to cervicogenic and beyond; collectively known as vestibular dysfunction.
- Applicable areas of practice: **acute care, home health, inpatient rehab, outpatient**
- No previous vestibular experience required; this course starts with basic content and then expands. It is ideal for those looking for an introduction into this area of care, as well as those looking for a “refresher.”
- No specialized equipment is required; clinicians can return and start practice right away!

Audience: PT, PTA, OT, OTA

Course Outline:

- Anatomy/Physiology
- Diagnostics/Imaging
- Subjective/Objective Examination
- Assessment/Differential Diagnosis
- Treatment Protocols/Progressions
- Evidence-Based Practice/Research
- Hands-On BREAKOUT LAB SESSIONS
