Speakers: Sara Baumgartner Wolf, PT, DPT, NCS and Lindsey Hejlek, PT, MPT

Dates: **Saturday Sept. 21, 2024** 8-5pm & **Sunday Sept. 22, 2024** 8-3pm

**EARLY BIRD RATE just \$549, register by 8/10/2024**

(Regular Rate \$599 thereafter)

#### Course Content:

- **Two Day** Course covering the evaluation and treatment of various balance and dizziness conditions from BPPV to post concussion to cervicogenic and beyond, collectively known as vestibular dysfunction
- Applicable areas of practice: **acute care, home health, inpatient rehab, outpatient**
- No previous vestibular experience required, this course starts with basic content and then expands. It is ideal for those looking for an introduction into this area of care, as well as those looking for a “refresher”
- No specialized equipment is required; clinicians can return and start practice right away!

**Audience: PTs, PTAs, OTs, and COTAs**

#### Course Outline:

- Anatomy/Physiology
- Diagnostics/Imaging
- Subjective/Objective Examination
- Assessment/Differential Diagnosis
- Treatment Protocols/Progressions
- Evidence Based Practice/Research
- Hands on BREAKOUT LAB SESSIONS
