Vestibular Dysfunction

A Comprehensive Course on Evaluation and Treatment

Summit Physical Therapy

11481 Old St. Augustine Rd. - unit 301

Jacksonville, FL 32258

Presented by: Vestibular Educators

Speakers: Sara Baumgartner Wolf, PT, DPT, NCS and Lindsey Hejlek, PT, MPT

Dates: **Saturday January 17, 2026** 8-5pm & **Sunday January 18, 2026** 8-3pm

EARLY BIRD RATE just \$549, register by 12/6/2025

(Regular Rate \$599 thereafter)

Course Content:

- **Two Day** Course covering the evaluation and treatment of various balance and dizziness conditions from BPPV to post concussion to cervicogenic and beyond, collectively known as vestibular dysfunction
- Applicable areas of practice: **acute care, home health, inpatient rehab, outpatient**
- No previous vestibular experience required, this course starts with basic content and then expands. It is ideal for those looking for an introduction into this area of care, as well as those looking for a “refresher”
- No specialized equipment is required; clinicians can return and start practice right away!

Audience: PTs, PTAs, OTs, and COTAs

Course Outline:

- Anatomy/Physiology
- Diagnostics/Imaging
- Subjective/Objective Examination
- Assessment/Differential Diagnosis
- Treatment Protocols/Progressions
- Evidence Based Practice/Research
- Hands on BREAKOUT LAB SESSIONS
